Two weeks ago we were notified that our Grass Cutting Partnership with Plummer Community Correction Center has ended. We had no warning of this decision. We met with The Warden and Senator Henry last week.

The grass will continue to grow while FHRC Board of Directors determines the best path forward. There has never been money in the cemetery budget for grass cutting.

We welcome your feedback, suggestions and advocacy at this critical time. We are hopeful that this problem will unite us. Please help us solve this problem.

Background:

Friends of Historic Riverview Cemetery, a 501c3 Charitable Non-Profit organization became owners of the 42 acre cemetery on January 30, 2009.

Our Mission:

- Operate the cemetery: sell graves – prepare for burials – recordkeeping
- Maintain the cemetery: grass, trees, monuments, fence, flowers, roads, trash
- Restore the cemetery: chapel/office, mausoleum, monuments
- Preserve the cemetery: for the community and for future generations

We accomplish our Mission with Volunteers and Community partners:

The second Saturday morning every month we have a Volunteer Project: 9AM to Noon
We have special projects for school, church, and business groups upon request.
We host an Annual Memorial Day Service to remember our 1058 Veterans.
We attend the monthly 1st District Neighborhood Planning Council
