Riverview Cemetery, which opened in 1872, is a Victorian garden cemetery that consists of a total of 87 acres on both sides of North Market Street. There are roughly 36,000 people buried there and space for approximately 20,000 additional burials. Riverview's mission has always been to provide a dignified and affordable final resting place for loved ones regardless of their ethnic, religious, social, or economic back-grounds. The FHRC exist to support the restoration and preservation of Riverview, Wilmington's most culturally diverse non-profit, public cemetery.

We invite you to join the FHRC so together we can save this historic and much-loved cemetery.
