At Riverview you will find a full range of burial and cremation options. You may also pre-plan and buy your gravesite before need, thus saving on higher costs later. Our staff is ready to assist families with their wishes—whether immediate or for the future.

There are over 36,000 people interred in Riverview Cemetery with space for another 20,000 burials. Interior roadways make all sections accessible.

FHRC volunteers and community partners maintain the grounds, trees, and flower beds to provide a natural, respectful resting place for your loved one.

Upon completion of the Visitor and Information Center, families may request use of this space at the time of burial.

Many veterans are buried here and are listed on our website with a link to a Find A Grave memorial page.

The tradition of a Memorial Day service to honor our veterans began long ago and continues today.
